EVALUATION

In what ways were your learning goals met this term?

A large, empty rectangular box with a light purple border, intended for the student to write their response to the first question.

What were your milestones or magic moments this term?

A large, empty rectangular box with a light pink border, intended for the student to write their response to the second question.

My message for you:

A large, empty rectangular box with a light purple border, intended for the student to write their message.
