

# MOON PHASES

Label the moon phases below using the phases from the table:

|                |                |                |                 |
|----------------|----------------|----------------|-----------------|
| full moon      | waxing gibbous | new moon       | waning crescent |
| waning gibbous | first quarter  | waning gibbous | third quarter   |
